

To Whom It May Concern

It is my pleasure to write this letter of recommendation for SUMANA DATTA for her Phd admission in your esteemed Institute. I know her personally for more than 15 years and I have found her intelligent, hardworking, self-motivated, honest and punctual. Her academic and professional track record is also very good.

I would like to recommend her for this honourable degree because she has always been inclined for higher studies and keen to pursue Research Programme. It will be great opportunity for her if she is able to make it in INTERNATIONAL INSTITUTE OF INFORMATION TECHNOLOGY.
